

# Lacette™

## Fragrant Sumac

*Rhus aromatica*

‘Fine Textured Compact Select A’ PPAF

Pretty as a picture but tough as nails Lacette™ can thrive in the same tough conditions as others in the species like Gro-Low, but has a much more refined, delicate appearance.

Sporting smaller, slightly cut leaves, a less sprawling form and intense fall color, Lacette™ is truly a unique sumac.

### Hardiness:

Zones 3 to 8

### Size:

3 to 4½ ft tall  
6 to 7 ft wide

### Soil:

Average to poor soil  
Must be well drained

### Landscape Use:

Lacette™ will grow where other plants don't. Use for erosion control, parking lots, and native gardens.

Pot-grown liners of Exceptional Shrubs like these are available from Richey Nursery Company
